Board Experience

John has more than 35 years professional and commercial experience with a proven track record of success in managing start-up operations as well as small and medium sized national and international companies covering industries as diverse as advertising, commercial property, IT software, government, manufacturing, mining, retail and television. John's commercial experience, both from an investor and management perspective covers a broad range of disciplines including management, operations, sales, marketing and finance.

Currently, he is Managing Director of The Lindfield Partners Pty Ltd trading as Essential Management Services, a specialist business advisory and succession planning consultancy he founded in 2006 where he is advising clients on business, marketing, mergers and acquisition strategies. John is also Non Executive Chairman of the successful architecture firm GroupGSA Pty Ltd and has served on the Board since 2008. Over his career, John has worked with a range of international and local companies including Commonwealth Steel Company Limited (BHP Group), Austen & Butta Limited (JV partnership with Shell Group), Young & Rubicam Advertising, Allders International Pty Ltd (Allders plc), TVSN Limited, CiTR Pty Ltd (University of Queensland) and Inventis Limited (formerly Gregory Australia Limited) in senior executive and Board roles.
